

Alphabetical Listing of Those Buried in the James City Chapel Cemetery

To find the burial location of someone listed, match the “Location Section & Number” shown in the first column to the locations marked on the Cemetery Overview on Page 43 and Sections A through E diagrams shown on Pages 44 through 48.

If additional information is available regarding any listing, the information is shown just below the name box for the individual. The source(s) for the information appearing is identified within the comments. Any reference to “(FG Note says...)” refers to information from the findagrave.com website that takes information from family members and friends about those buried in cemeteries. A copy of that list is in the Mount Vernon UMC Church Archives Book 2, B2-1A.
