## Alphabetical Listing of Those Buried in the James City Chapel Cemetery

To find the burial location of someone listed, match the “Location Section & Number” shown in the first column, to the locations marked on the cemetery Overview Plot Map and the plot maps for Sections A through E, which can be found by clicking on the “Plot Maps-List of Sections” button on the Plot Maps and List of Names tab.

If additional information is available regarding any listing, the information is shown just below the name box for the individual. The source(s) for the information appearing is identified within the comments. Any reference to “(FG Note says...)” refers to information from the findagrave.com website. Information found on the findagrave.com website is provided by contributors to that site, which may or may not be in agreement with church provided information.

**THE NAMES AND BURIAL INFORMATION SHOWN IN THE ALPHABETICAL LISTING HAVE BEEN UPDATED TO MARCH 2019.** *The section maps, however, are in the process of being updated at the time of this website upgrade, and will be added to the site when completed.*

### Church Membership Information:

There are various references to church membership, meaning members of James City Chapel (Norge) or Mount Vernon United Methodist Church (Toano). Since 2012 when this original list was created, the research and information resources have increased significantly. For any questions about those buried in James City Chapel Cemetery, or church membership, please contact the church historian through the church office as shown below.
